

Builders Competition

to benefit Delaware Valley housing needs

Greater Philadelphia Expo Center

100 Station Avenue, Oaks, PA

May 6, 2015

On May 6th participating builders will work in teams to construct wall panels to help Habitat for Humanity, Philadelphia produce framing packages for five homes.

On July 16-18 these frames are to be raised during a 'Builders Challenge' event put on by the affiliate. Additionally, The Builders's Competition is presenting a challenge grant of \$10,000 to Habitat if they can 'Fast Build' one of these units from first floor deck to finish paint within 30 days. All construction trades are being encouraged to help.
